Sir:

In response to the Notice To File Corrected Application Papers dated June 4, 2004 ("Notice"), for the above-identified patent application, the Applicant respectfully submits one sheet of formal drawings. Please substitute these corrected drawings for the corresponding sheet of drawings presently on file with this application. The sections included in this submission are as follows:

**Amendments to the Drawings** begin on **page 2** of this paper; and

a **Remarks** section begins on **page 3** of this paper.

A copy of the Notice is also attached hereto. Because this drawing correction is timely if filed before August 8, 2004, the Applicants respectfully contend that no extension fees are required.

THE REMAINDER OF THIS PAGE HAS BEEN LEFT BLANK INTENTIONALLY

### **CORRECTION OF THE DRAWINGS**

The attached sheet of drawings include changes to FIGS. 2F and 2G in which the proper alphabetical sequence is reestablished in order to remove the inadvertent repetition of the drawing designation FIG. 2E in the originally filed drawings. This sheet, which includes FIGS. 2F and 2G, replaces the original sheet including FIGS. 2E and 2F.
